Bob Burrud's Training Tips

In-Class Participation

1. Be on time!
2. Keep your dog on leash, unless specified by the instructor.

4. Use approved training equipment. All vaccines must be current.
5. Wear non-distracting clothing & comfortable shoes.

2. Have all capable family members' practice with your dog.
3. Consider spaying/neutering your dog.
4. Increase social contact time with your dog.
5. Consider having the dog sleep inside your home.
6. Keep food reinforcers hidden from the dog's sight.
7. Remember that your dog is always learning, so apply the concepts learned in class throughout your day.
